DEDICATION: *Mr. William Dooling*

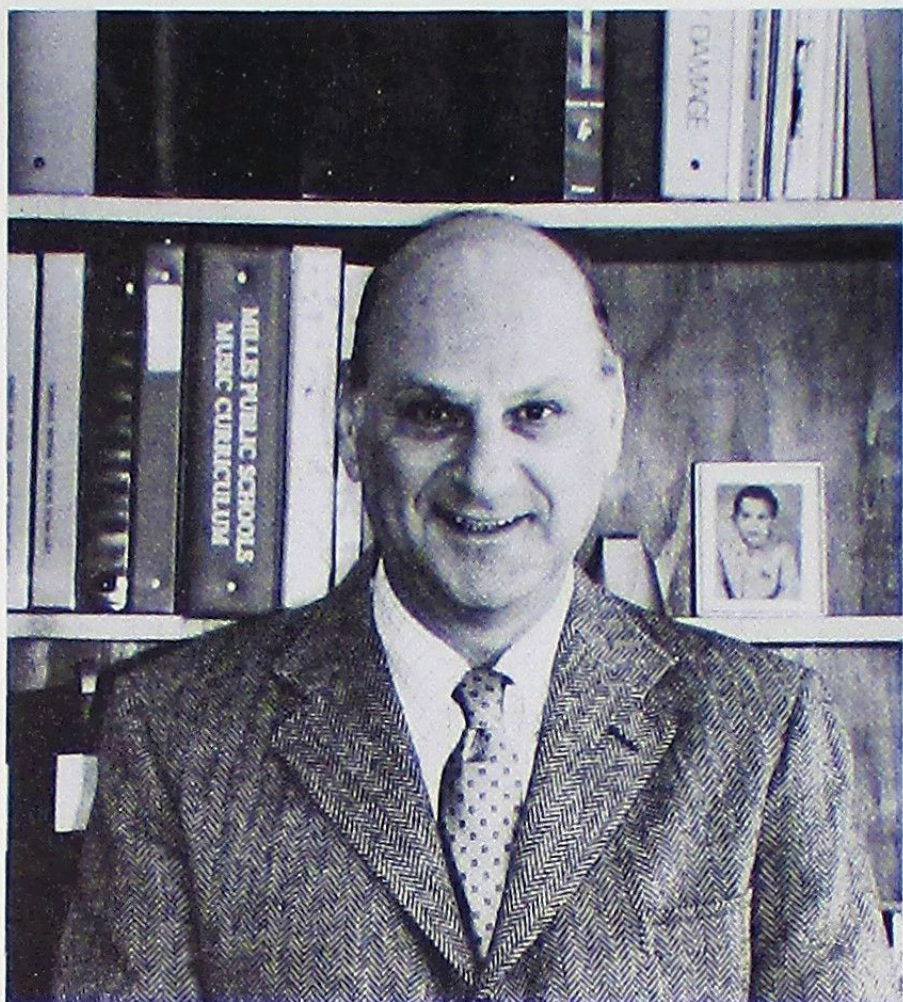

Mr. Bill Dooling

The Class of 1990 has dedicated this yearbook to our Class Advisor Bill Dooling. Mr. Dooling gave this class his all. Every time there was a problem, he was there to pull us through. He got personally involved with each student and made the years at MHS something special, something to remember. The class felt his love and caring each day. After all his help, we felt that we could not do enough for him. We hope the dedication will show our appreciation and gratitude.

Superintendent

Mr. Vahan J. Khachadorian

To the Class of 1990:

You forfeit your chance for life at its fullest when you withhold your best effort in learning. When you give only the minimum to learning, you receive only the minimum in return.

When you work to your full capacity, you can hope to attain the knowledge and skills that will enable you to create your future and control your destiny. Take hold of your life, apply your gifts and talents, work with dedication and self-discipline. Have high expectations for yourself and convert every challenge into an opportunity.

I congratulate you, graduates of 1990 on your individual accomplishments.

It is my wholehearted hope, that you will always be proud of Millis High School, and of the community which you live, and I wish for each of you many years of success and happiness as you seek your future endeavors.

Sincerely yours,
Vahan J. Khachadorian

Principal

Mr. Paul A. Brunelle

To the Class of 1990:

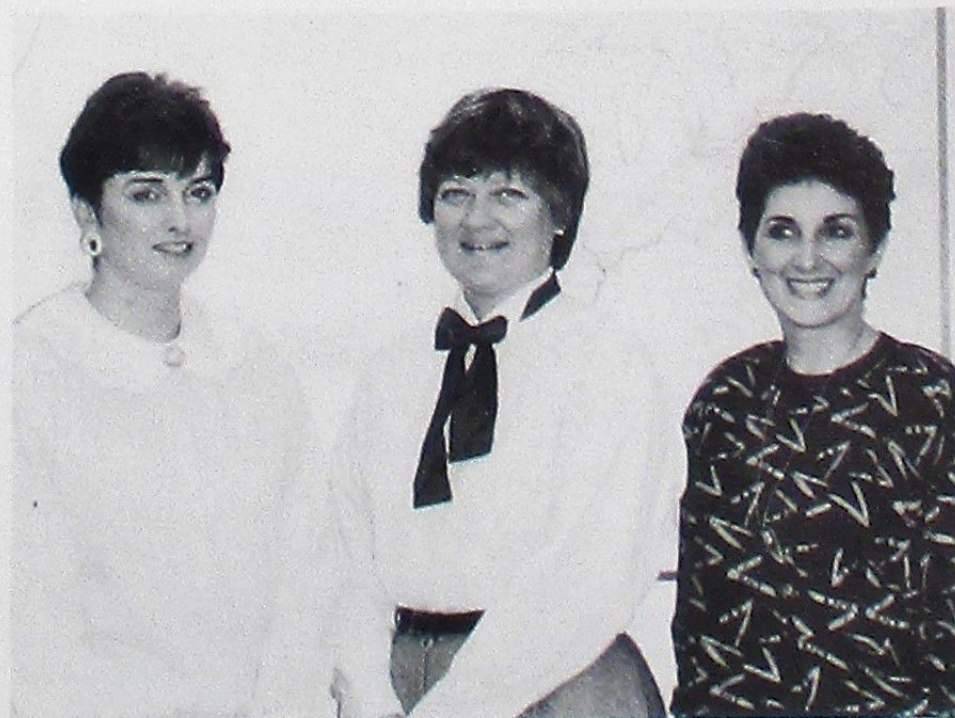

You are truly a remarkable class. Your four years at Millis High School have certainly not gone unnoticed as your accomplishments have brought recognition not only to yourselves, but to the school as well. As an incoming Freshman class whose initial impression the staff had not quite experienced before, to the graduating class whose unique mark is indelibly written into the history of Millis High School, it is our hope that the contributions we have made as a school will provide you the basis to further make your mark upon the world.

I wish you well in your future pursuits and sincerely hope that your efforts will bring you further recognition as individuals, but more importantly as contributors to the greater good.

Sincerely,
Paul A. Brunelle

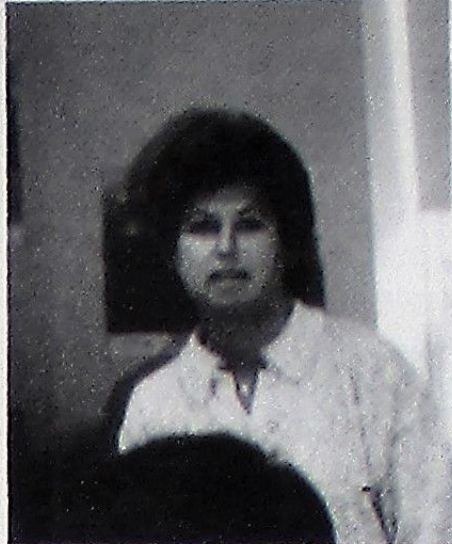

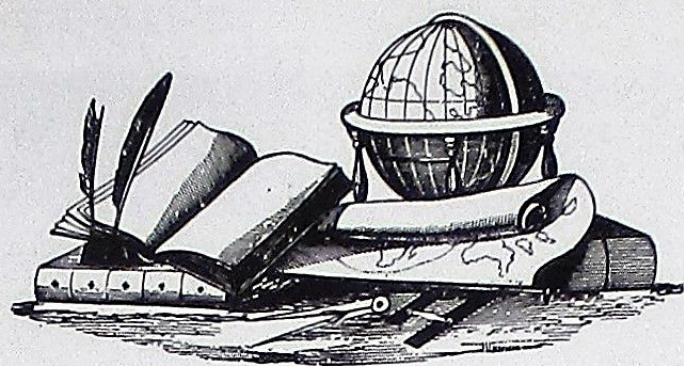

High School Secretaries (l-r): Celeste Hankey and Janet Dunphy.

When people remember the 1989 Mohawks, we would like to be remembered for our team closeness. Coming into the season we had no one that believed in us, except for ourselves. We were the underdogs in every game, making us work harder. Dan Smith, Rick Barrett, Mike Messineo, Doug Beyer, Brandon Hourigan, Jay Shearns, Jarrad Strilka, and Rick Salisbury made up one of the best offensive and defensive lines in the league. We weren't the biggest, fastest or most talented team in the league, but no team was closer or worked better together. Our drive to be better and unwillingness to quit made us the best we could be. Statistically it wasn't a successful season, but if you ask any Mohawk player we would say it was. CAPTAINS: Mike Messineo #74 and Brandon Hourigan #73 MVP: Mike Messineo #74 OFFENSIVE PLAYER OF YEAR: Brandon Hourigan #73 DEFENSIVE PLAYER OF YEAR: Dan Smith #67 UNSUNG HERO: Rick Barrett #58.

CAPTAINS: C. Matukaitis, M. Wallace, J. Mertz

The 1989 season for girls' soccer saw many improvements. A highlight for the team was beating Westwood for the first time and also tying Medfield. Mr. B named Christa Matukaitis the M.V.P. and Kerry Collins the Most Dedicated soccer player. The junior varsity team had an excellent showing,

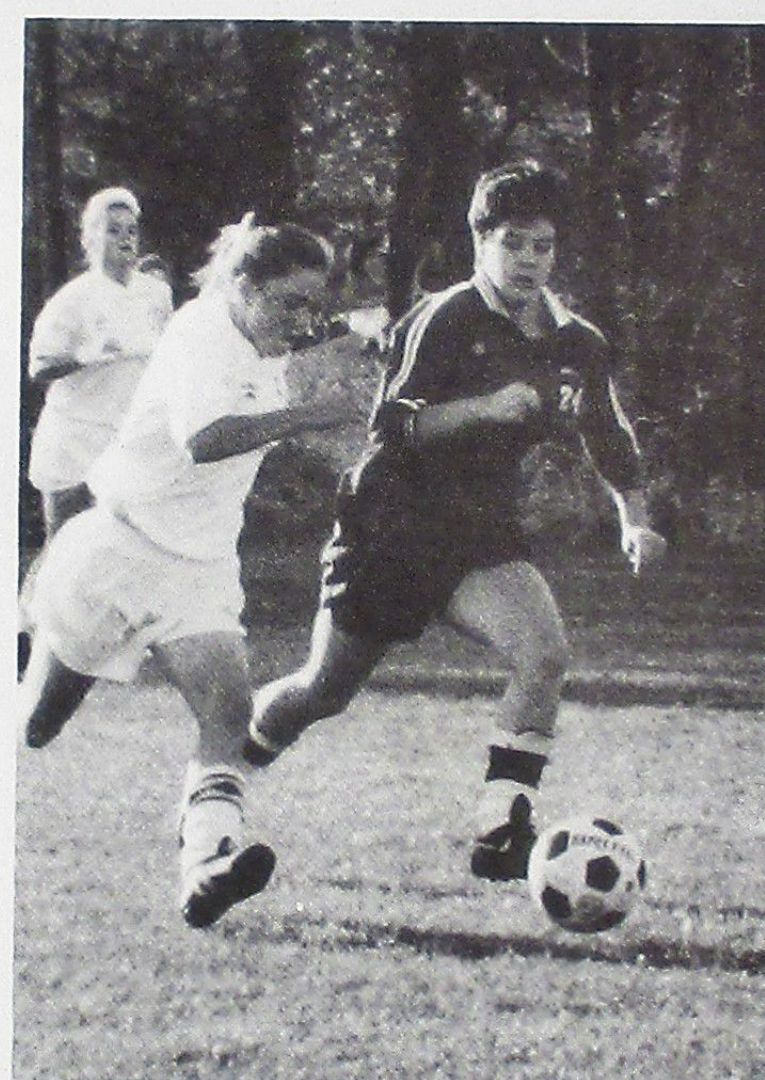

made up mostly of freshman and coached by Mr. Dolan. Next year, with the strong leadership of Jen Miller, Kiersten McGrath, Sue Jeffries, and Kerry Collins, and a number of strong sophomores, the team hopes to once again better their previous record.

MVP: Karla **MOST IMPROVED PLAYER:** Sue **T.V.L. ALLSTARS:** Karla, Krissy, Sue and Kathy. Varsity season highlights include beating Whittensville Christian in our first game, the team played as they had never played before. "Spanky's Gang" worked hard this season, but they also had fun which helped relieve tension when playing teams like Medfield. The team beat Medfield 1 out of 3 games and beat Ashland both times they met. Karla Smith (a.k.a. Killer Karla) was known for her outrageous serves, Sue for her spike receiving and Krissy and Kathy for their spiking.

The varsity team started the season with a lot of ambition and potential. The captains leading the team were Kathy M., Krissy B. and Jen B. Coach Ball who worked the team hard but made it fun and was also a good friend. Although the team only won two games all season, both against Ashland, they improved dramatically. Season highlights include the close game against Medway, the last second free throw by Kathy to beat Ashland and holding Westwood to under 100 points. Krissy was the team lead scorer, Jen Miller was the team 3 pt. hero. Awards were given out to Krissy, Jen Miller and Kathy attended the 3 point shoot out.

TENNIS

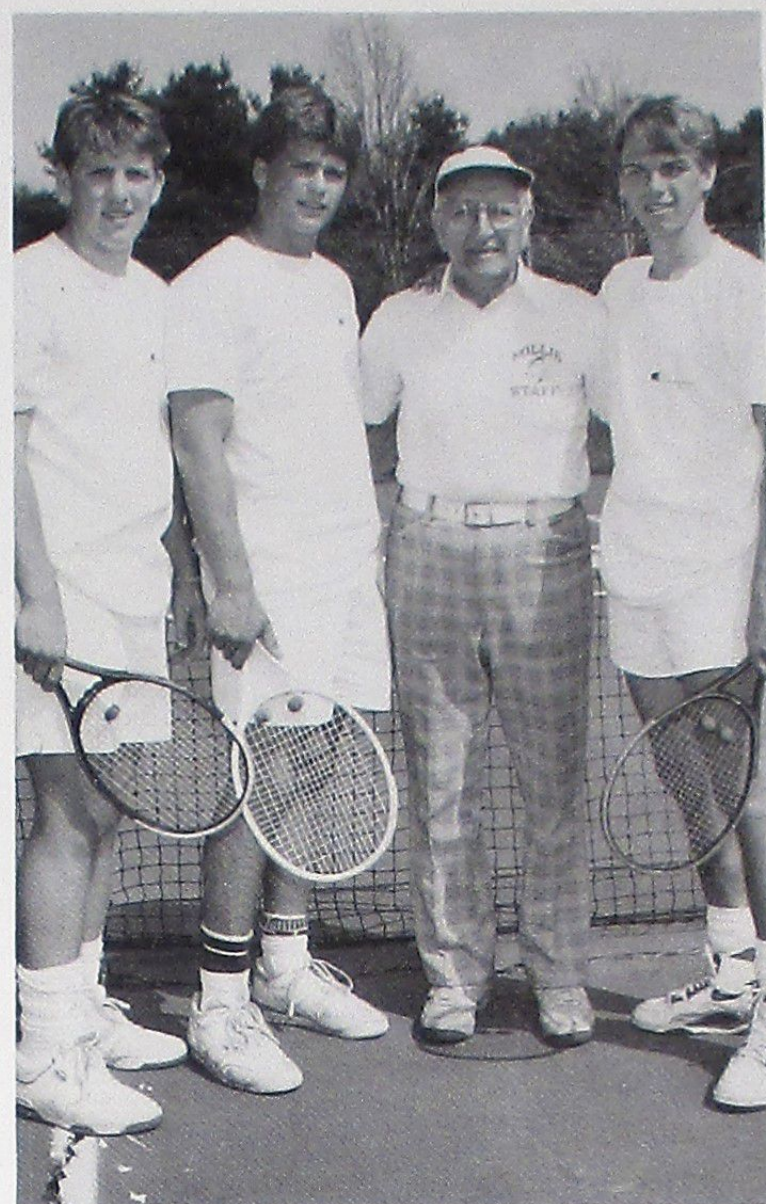

The 1990 Girls' team is proud to be the first team in several years to make the State Tournament. Under the leadership of tri-captains Maryann, Karla and Christa, the team ended with a 12-8 record. This success may be attributed to the many seniors, two strong juniors and our rookies: Sophomore M. Collins, eighth graders B. Mitchell and M. Lyons. Many thanks to Coach Cang and our faithful fan Mrs. Smith.

For the second year the Track team competed as individuals against other schools rather than competing as an entire team. Led by the senior co-captains Annette Jones and Eric Carlson, many of the athletes broke their personal records; Kerry Collins broke the school record in the triple jump. Annette Jones made it to the State Meet in the 330 hurdles. It was a good year for all!

We had a lot of people dress up in some great costumes this year, such as Mr. Magner in the gas mask, he must have gotten sick of the smell of the skunk (not Matt and Jon). Chuck Braman looked like death himself, so Christine Tomasello and Eric Nims had to clown around with him. John Maconi, you have a beautiful voice to go with that hair of yours. On this page, is that really you Ted Rybczyk or did Kim Tremblay and Maryann Wallace scare your hair into doing that.

Intramural Volleyball

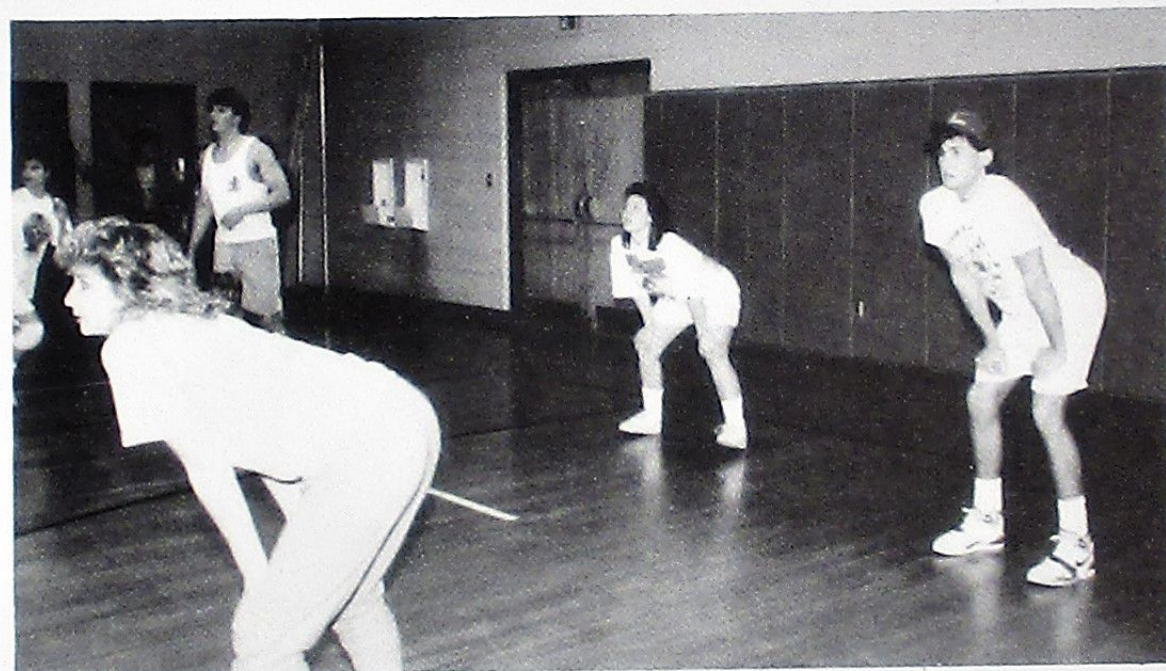

Before Spring Fever sets in and students are waiting for winter to end, relief comes to Millis in the form of Intramural Volleyball. Teams are formed and names are chosen during the last weeks of February and the competition begins. Teams of every ability play with often times some interesting results. This year, after the wins were tallied, the top two teams playing for the Championship were Face and the Renegades. The Renegades came out the Champs winning 2 out of 3 games against Face.

Kathleen Kerivan
Valedictorian

Reverend Clergy, members of the School Committee, Mr. Khachadorian, Mr. Brunelle, faculty, relatives, parents, and friends, I welcome you here tonight. It certainly is a joyous occasion for all of us. So many people view graduation as an end — an end to classes and homework, an end to freezing football games and sweltering tennis matches — an end to four happy years of high school. Most of you here tonight have already met this end, and have experienced a greater variety of what life offers.

What I have to say is therefore not for your ears, but rather directed towards my fellow classmates. But perhaps you will agree, and find some truth in what I say.

Friends, tonight is by no means an end. After eighteen years of structure and support, we are finally free to become ourselves. We must take all we have learned, and use it to develop and prosper in our own right. True, high school is over, but it gave us a strong foundation. It is up to each individual to build upon this a lifetime of happiness. We all have the strength to fulfill our desires, whatever they may be. And now at last, we have the freedom.

To quote Whitman:

Afoot and light-hearted, I take to the open road,
Healthy, free, the world before me,
the long brown path before me, leading wherever I
choose.

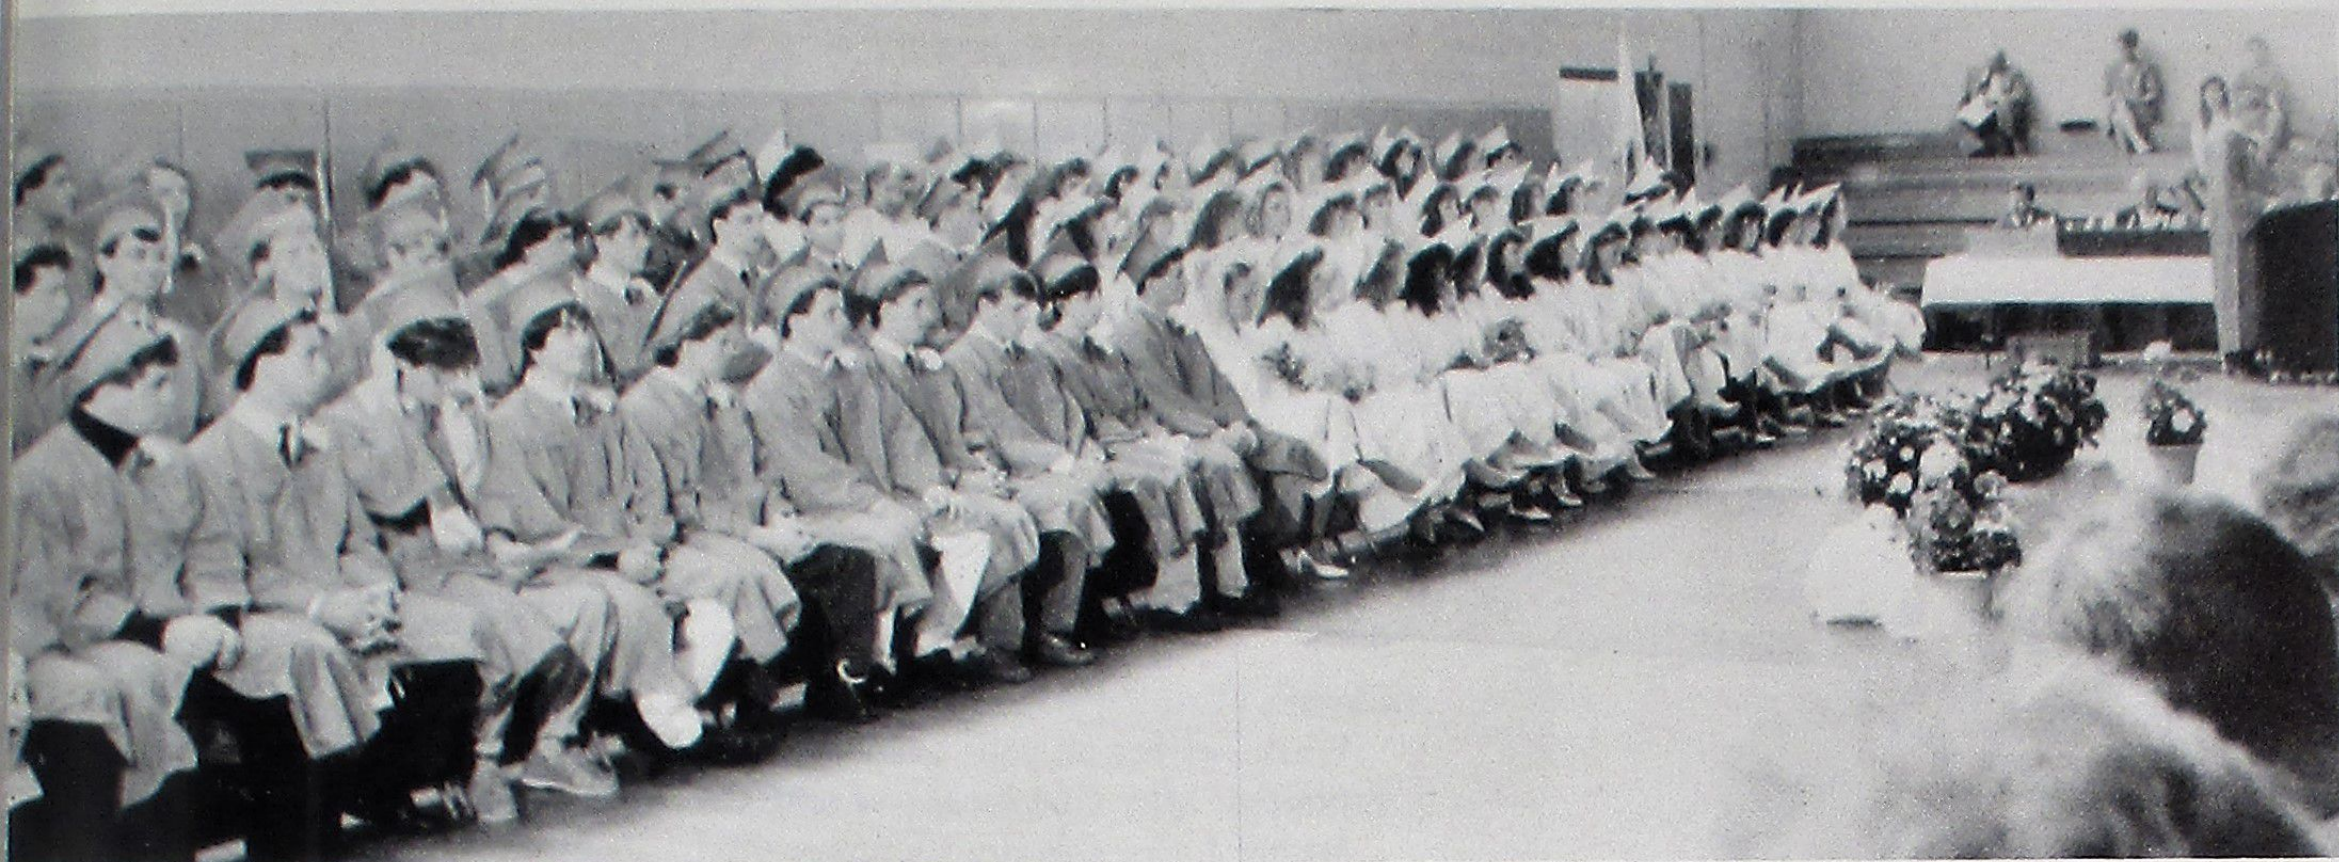

Henceforth I ask not good-fortune — I myself am
good fortune;

Henceforth I whimper no more, postpone no more,
need nothing,

Strong and content, I travel the open road.

As you go out to face your own world, don't hide what you feel inside, and don't let anybody stand in your way. For you are success. So good luck to us, the Class of '90. Tonight, we celebrate ourselves. Thank you.

Marcin Makarewicz
Salutatorian

I would like to begin by extending my gratitude and thanks to some of the people among us today who helped me achieve this honor.

First of all I would like to thank my parents. Who although unable to attend today, have always been there for me, trusting me to do my best and cheering me on during the good times as well as the bad.

I would like to thank the teaching staff, without whom I would be unable to stand here today or enter college education with confidence.

I would like to thank the class of 1990 for making these past four years of high school a bonding, supportive, and fun-filled experience.

And last but not least I would like to thank two families who made this past year and graduation a wonderful possibility and now a great reality.

First, the Bourgelas family who took me under their wing; and who through the last year made me a part of their family and so frequently kept me out of trouble while I concluded my high school career.

And second, the Thistle family, who also helped me forget the loneliness of being away from home by extending their love and friendship to me.

I have a story to tell. A story of a young man who received a worldly education; the story of a traveling student. This story is about me. The story begins when I was seven years old and entered first grade, everyone remembers their first year of school and so do I. My education, however, began a little differently than the first days of school most of you here know.

I started my education in a public school in Poland then a country behind the iron curtain oppressed by the Communist Party. Because of the political situation my family left Poland and I left my school with a strong work ethic that it taught. My travels across the globe took me to another country, one of which everybody has probably heard of. I continued my middle school education in a public school in Johannesburg, in the Republic of South Africa. There, I not only learned math, and science, geography, and the exploitation of the black people. It was also there that I started my high school education attending a racially segregated English speaking public school.

The racial situation was getting out of hand and my family left South Africa and our travels took us across the ocean to the United States where I have now finally completed my high school education. I can think of no better place to end my first 12 years of my educational career. There is one thing I would like to say about coming to Millis here in the U.S. which should sum up my feelings. When I arrived I received a surprise, every place I had been before I had experienced some kind of oppression. That I could not find here.

When I arrived here I had a dream, a dream that I could one day go back home to Poland without being arrested because my father had left for political reasons; and that I could go back and visit old friends in South Africa without being looked down upon because I do not believe in apartheid. And now in 1990, the year I graduate it looks as if my dreams will become a reality, and the freedom I first encountered in the U.S. has spread to people across the world. I hope that I may continue my education in light of that freedom and one day help spread its force across our world.

Thank You

Lisa Mello:

Congratulations on your graduation, and best wishes for a great four years at Penn State. We're very proud of you and wish you every success in your future career.
